

How to Register for NVC Trainings

All pages are available with Google Translate except for payment pages. Below is the Korean version.

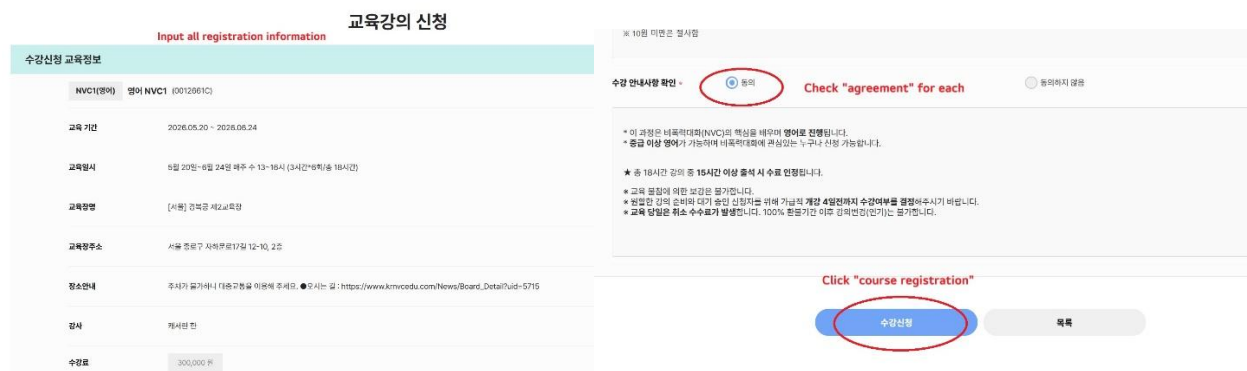

1. Go to the page website and click on "Registration" then the center button for "course registration."

2. If you do not have a membership, sign up with your Kakao or Google account, and complete all fields with your personal information.

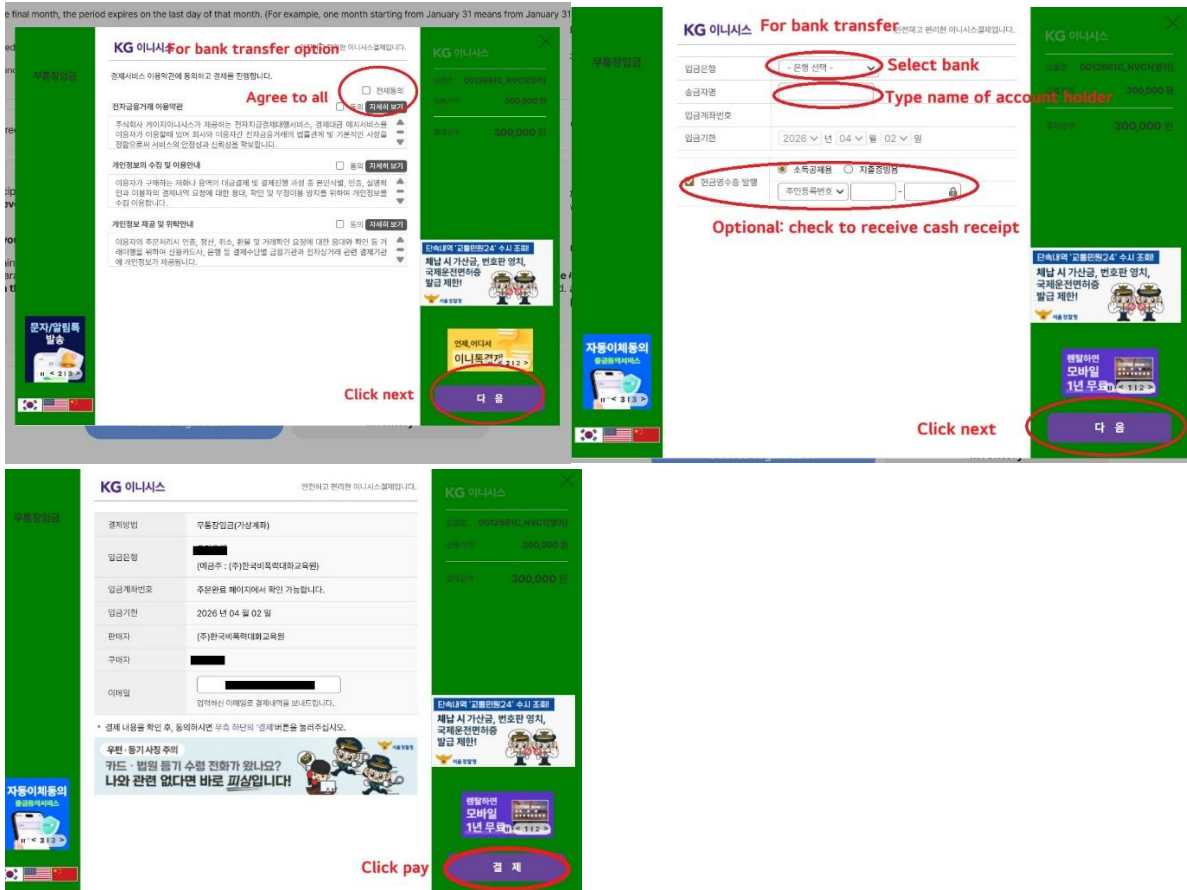

3. Return to the course page after logging in with your membership (Kakao or Google). Input all registration information, check "agreement" for each and click "course registration."

4. Click "apply" to move to the payment page.

5. For bank transfer payments, check “agree to all” for personal information consent. Then input banking information and click "next." Click “pay” to complete the online registration. Send transfer through bank to complete payment and registration.

6. For credit card payments, check “agree to all” for personal information consent. Select method, click “next” and follow app instructions to complete payment and registration.
